

# 2025 FPCA Mid-Winter Sponsorship Opportunities

The Florida Police Chiefs Education and Research Foundation helps to support the training provided during our FPCA conference events, but the Association is highly dependent on sponsorships from our partners to ensure that both training and networking functions can be offered to all our attendees. These opportunities are open to all FPCA business members, exhibitors, and vendors. There are limited sponsorship opportunities and a signed sponsorship commitment form, and a 50% non-refundable payment is required to reserve a specific sponsorship event request. Until sponsorship commitments are paid in full, slots will remain open with a waitlist.
