Dear State Attorneys and Law Enforcement,

As you know, the federal district court for the Southern District of Florida in *Florida Immigration Coalition v. Uthmeier* has preliminarily enjoined the defendants (and all Florida law enforcement officers, who are not party to the case or under Defendants' control) from enforcing Florida's SB 4-C. As a reminder, SB 4-C bars illegal aliens from entering and re-entering Florida. In a recent order, the district court ordered the Attorney General to file biweekly status reports indicating whether arrests have been made under SB 4-C.

To comply with this order, we respectfully request your assistance. Should law enforcement or prosecutors learn of any such arrests, please notify our office one day before our biweekly status deadline on Tuesdays starting July 1. You can email robert.schenck@myfloridalegal.com with those updates, which will be very helpful for us. The deadlines for the next few months are:

- July 1, 2025: any updates from your offices sent to us by Monday, June 30.
