Law Enforcement Leaders,

I hope this message finds you well.

Attached is a letter from Larry Keefe, Executive Director of the State Board of Immigration Enforcement, outlining each agency's statutory responsibilities under Section 908.1031, Florida Statutes, regarding immigration enforcement data collection and reporting.

To support the State Board of Immigration in fulfilling this statutory requirement, the Florida Department of Law Enforcement (FDLE) has developed a system for agencies to report the required information.

The three reporting forms are available here:

- Law Enforcement Agency Summary Data Form - <https://fdle.readyop-gov.com/fs/4ePM/1a3c7e52>
- Detention Facility Summary Data Form - <https://fdle.readyop-gov.com/fs/4ePL/78b4c701>
- Suspect Unauthorized Alien Contact Form - <https://fdle.readyop-gov.com/fs/4ePK/6c8ad39e>

At FDLE, we understand this is a significant undertaking and are truly grateful for your ongoing cooperation. Please know that FDLE is here to assist in any way possible. If you have any questions or need support with the reporting system, feel free to reach out to me or any of the team members listed below:

- Deputy Director Melissa Bujeda – MelissaBujeda@fdle.state.fl.us
- Chief Brett Kirkland – BrettKirkland@fdle.state.fl.us
- Manager Matthew Sharp – MatthewSharp@fdle.state.fl.us

Thank you for your continued commitment to this important initiative. We sincerely appreciate your partnership and patience as FDLE works to support the State Board of Immigration Enforcement in this effort.
