

RED ALERT

FOR IMMEDIATE ATTENTION

Members,

We have recently received a solicitation from attorney Mark Fiedelholz regarding a proposal to conduct social media training to law enforcement agencies on a per employee basis. This solicitation may have also been sent to individual agencies or administrators. We are in the process of vetting the provider and the proposed training. If you have received a solicitation from this provider or if you have engaged this provider to deliver training to your employees, please contact FPCA General Counsel David Marsey at your earliest convenience to assist in the vetting process. As with all training vendors, we recommend caution in the retention of trainers based on a solicitation without further vetting.

GC Marsey's email address is dmarsey@rumberger.com. His direct line is 850-841-8365.

Thank you,
