Good afternoon,

FDEM is requesting a current list of any aircraft operated by police departments that have firefighting capability.

Please provide the information by agency and include the aircraft type (rotor or fixed wing) as well as the bucket or gallon capacity.

This request is time sensitive due to the ongoing drought conditions and the increasing number of fires across the state.

Thank you in advance for your prompt assistance.

James Bujeda  
Assistant Special Agent in Charge  
Emergency Preparedness Bureau  
Florida Department of Law Enforcement
