— Be Present. Be Proactive. Be Accountable. —

## NOW HIRING: POLICE OFFICER

*A stable, community-focused policing opportunity in a low-crime coastal community.*

### Police Officer

Jupiter Inlet Colony Police Department  
Jupiter Inlet Colony, Florida

The Jupiter Inlet Colony Police Department is seeking professional, community-oriented police officers who are looking for a stable, low-crime policing environment where service, visibility, and relationships matter.

Jupiter Inlet Colony is a small residential coastal community located on the southern end of Jupiter Island. Our officers serve in a unique policing environment focused on quality-of-life issues, crime prevention, resident engagement, emergency preparedness, and professional public safety service. This is an excellent opportunity for officers who take pride in being visible, approachable, and trusted by the community they serve.

The ideal candidate is dependable, ethical, and self-motivated. Because of the size and character of the community, officers must be comfortable working independently, communicating professionally with residents, and handling a wide range of service calls with sound judgment and discretion. Candidates should value professionalism, approachability, integrity, and responsiveness.

### PRIMARY RESPONSIBILITIES

Police officers are responsible for routine patrol, responding to calls for service, traffic enforcement, crime prevention, report writing, community engagement, emergency response, hurricane preparedness duties, and other law enforcement functions as assigned. Officers are expected to maintain a professional presence throughout the Town and support the Department's mission of protecting life and property while preserving the community's quality of life.

### MINIMUM QUALIFICATIONS

Applicants must be certified as a law enforcement officer in the State of Florida or be eligible for Florida certification. Candidates must possess a valid driver's license, have a strong work history, demonstrate good moral character, and successfully complete all required background, medical, psychological, and agency hiring requirements.

Prior law enforcement experience is preferred, but candidates who demonstrate maturity, professionalism, and a strong service mindset are encouraged to apply.

### WHY JOIN JICPD?

### OUR MISSION
