

RED ALERT

FOR IMMEDIATE ATTENTION

Members,

After years of ambiguity and questions regarding the application of the Marsy's Law Amendment to victim and victim-police officer privacy, the Legislature has enacted clarifying legislation that provides some resolution to the ongoing discussions regarding the scope and breadth of victim protections. Please see the attached legal bulletin from GC David Marsey which outlines the victim protections that take effect July 1, 2026.

In addition to this Bulletin, GC Marsey is participating in a multi-agency workgroup that is developing additional guidance which will be disseminated upon completion. The group includes sheriffs, clerks of the court, fire departments, EMS, and labor unions.

Please email David at dmarsey@fpca.com or call him at (850) 364-4777 if you have any questions or if he can provide additional information.

Thank you,
