## **Florida Police Chiefs Association Endorses Congressman Byron Donalds for Governor**

**Tallahassee, Fla.** – The Florida Police Chiefs Association (FPCA) today endorsed Congressman Byron Donalds for Governor of the State of Florida.

Congressman Donalds has earned strong support from law enforcement leaders across Florida through his consistent advocacy for public safety, border security, and robust backing of the men and women who wear the badge. His record includes sponsoring resolutions honoring law enforcement contributions, participating in public safety roundtables with sheriffs, and championing policies that prioritize law and order.

**FPCA President David Currey** said, “On behalf of the Florida Police Chiefs Association, we are honored to endorse Congressman Byron Donalds for Governor of Florida. His strong commitment to public safety, defending the rule of law, and unwavering support for law enforcement make him the clear choice to continue Florida’s success as a law-and-order state.”

**FPCA Immediate Past President Robert Bage** said, “Congressman Donalds has consistently demonstrated his dedication to those who serve on the front lines. Through his work in Congress and his engagement with law enforcement leaders across the state, he has shown he will provide our agencies with the resources, pay, and protections needed to recruit and retain the most capable, professional officers.”

**FPCA 2nd Vice President John Barkley** said, “Protecting our communities from crime, securing our borders, and supporting the men and women in blue are non-negotiable priorities. Congressman Donalds understands that Florida’s progress depends on safe streets and strong law enforcement partnerships, and we look forward to working with him to keep Florida the safest state in the nation.”

**FPCA Prior President Charles “Chuck” Broadway** said, “Leadership doesn't end when you leave the office, it follows you home. That's something Byron Donalds and I have in common. We both came to Florida from New York to build a better life. We're both raising three children here, and we both believe strong families depend on safe communities. Byron has consistently stood with Florida's law enforcement officers, and that's why the Florida Police Chiefs Association is proud to endorse him for Governor.”
